SUMMARY

Motivated and detail-oriented **Full Stack Java Developer** with a strong foundation in **Java, Spring Boot, React.js**, and database management. Passionate about developing scalable web applications and contributing to real-world software projects in collaborative environments. Skilled in **CRUD operations, RESTful APIs, and Spring MVC**, with a drive to continuously grow as a software professional.

WORK EXPERIENCE

Full Stack Java Developer, Sathya Technologies, Hyderabad   2023

– Developed and maintained web-based applications using Java, Spring Boot, HTML, CSS, JavaScript, and MySQL.
– Implemented backend logic, RESTful APIs, database connectivity, and integrated with frontend components.

PROJECTS

Bank Management System — Developed a complete banking application supporting customer account management and transactions. Implemented backend using Spring Boot and frontend using Bootstrap.

Contact Management Application — Built a responsive contact management app with CRUD functionality and REST API integration using React.js and Spring Boot.

Personal Portfolio Website — Designed and developed a modern, responsive portfolio website using **React.js, HTML, and CSS**. Showcases personal projects, technical skills, and achievements. Deployed on Netlify for fast and secure hosting: https://pavan-kumar-official-portfolio.netlify.app.

EDUCATION

2023 – Present	**Master of Computer Applications (MCA)**, Aurora's PG College, Bandlaguda, Hyderabad — Pursuing (2nd Year, 3rd Sem)
2020 – 2023	**Bachelor of Science (B.Sc.)**, A.V. College of Arts, Science and Commerce, Hyderabad — CGPA: 8.19
2018 – 2020	**Intermediate (MPC)**, C.V. Raman Junior College, Wanaparthy
